Leblanc-Bazinet Wins Regional with 9 Points

Mississauga, Ontario, May 26, 2013—It started as a tight race for first and second place in the women's competition at the Canada East Regional. But two-time CrossFit Games competitor Camille Leblanc-Bazinet built a 6-point buffer between herself and Michele Letendre by winning five of seven events to finish with top honors. On the men's side, Albert-Dominic Larouche took the No. 1 spot by 16 points. And it was L'Usine CrossFit who took home the gold in the team competition.

Individual athletes completed two events on the final day, as did teams.

For the individual athletes, the morning brought Event 6, which was 100 double-unders, 50 handstand push-ups, 40 toes-to-bar, 30 shoulder-to-overhead with an axle at 100 lbs. for the women and 160 lbs. for the men, and then a 90-foot walking lunge with the same axle in the front-rack position for time. The final event of the competition was four rounds for time of two 15-foot rope-climb ascents, a 100-foot sprint, four squat cleans at 135 lbs. for the women and 225 lbs. for the men, and another 100-foot sprint.

Organizers structured the team events similarly with a curveball. Event 6 for the squads was for time: one man and one woman complete 100 double-unders (50 each), 50 handstand push-ups while partner holds a handstand, 50 toes-to-bar while partner hangs from the bar, 50 shoulder-to-overhead with the axle (100 lbs. and 160 lbs.) while partner holds axle in the front-rack position. Then both

partners take a 90-foot walking lunge with the same axles in the front-rack position. And finally, the last team event was: one male and one female complete three rounds of two 15-foot rope-climb ascents and two squat cleans (135 lbs. and 225 lbs.), then one male and one female each complete three rounds of two 15-foot rope-climb ascents and three squat cleans, then one male and one female each complete three rounds of two 15-foot rope-climb ascents and four squat cleans.
