Anderson, Fortunato, CrossFit Atlanta Formulx Lead Pack

West Palm Beach, Fla., May 18, 2013—In the South East, new male athletes are coming to the forefront, while familiar names — like Fortunato and Gold — lead the pack on the women’s side. Meanwhile, team competition is consistent with the same three squads jockeying for the top position.

All told, individuals completed two workouts on the second of the three-day event, as did teams.

For the individual athletes, the day kicked off with a long event: 100 wall balls at 14 lbs. for women and 20 lbs. for men to a 10-foot target, 100 chest-to-bar pull-ups, 100 one-legged alternating squats and 100 one-armed dumbbell snatches at 70 lbs. for men and 50 lbs. for women. The second and final event of the day was 21, 15 and then 9 repetitions of deadlifts at 205 lbs. for women and 315 lbs. for men, with box jumps at 24 inches for women and 30 inches for men.

For the teams, the morning started in a similar fashion with some twists. Each member of the six-person squad had to complete 30 wall balls, 30 chest-to-bar pull-ups, 30 one-legged alternating squats and 30 one-armed dumbbell snatches. The second team event also mimicked the individual event except one man on the team completed 21, 15 and then 9 reps of deadlifts and box jumps, then a woman followed suit.
