## **Bridges, Valenzuela, Invictus Lead Day 1 in SoCal**

Del Mar, Calif., May 17, 2013—Familiar names started strong in the CrossFit Games Southern California Regional this weekend. That started with weightlifting queen Lindsey Valenzuela, whose top spot on the Leaderboard proves she's not just strong but also has solid gymnastics skills and an engine with which to contend. Kristan Clever, 2009 Games champion, sits in fourth place.

All told, individuals completed three workouts on the first of the three-day event, as did teams.

For the individual athletes, the events included CrossFit classic Jackie, comprising a 1000-meter row, 50 45-lbs. thrusters and 30 pull-ups. Both men and women completed the workout with a 45-lbs. barbell. Then it was on to a 7-minute ladder of overhead squats. After a 2-minute break, the day ended with 30 burpee muscle-ups for time.

For the teams, the morning also started with Jackie, except they worked in pairs of one man and one woman; both sexes used the same barbell. Squads then had 7 minutes to establish a three-rep max overhead squat. The women took it on first while the men completed as many burpee muscle-ups as possible in 7 minutes. The sexes switched after a 2-minute rest period.

At the end of the day, the overall standings were as follows:

Men

1. Josh Bridges (14 points)
2. Kenneth Leverich (20 points)
3. Taylor Yaffee (32 points)

#### Women

1. Lindsey Valenzuela (9 points)
2. Valerie Voboril (11 points)
3. Rebecca Voigt (12 points)

#### Teams

2. Team CDR Redlands (7 points)
