## **McGoldrick, Jones, Dallas Central Headed to Carson**

San Antonio, Texas, May 25, 2013—Rookie Mike McGoldrick has taken first at the South Central Regional, being one of two male newcomers from the Region who qualified for the CrossFit Games alongside veteran Aja Barto. Among the women, Jenn Jones held on to her lead throughout the weekend to win the competition, while CrossFit Dallas Central placed first among the teams.

Individual athletes completed two events on the final day, as did teams.

For the individual athletes, the morning brought Event 6, which was 100 double-unders, 50 handstand push-ups, 40 toes-to-bar, 30 shoulder-to-overhead with an axle at 100 lbs. for the women and 160 lbs. for the men, and then a 90-foot walking lunge with the same axle in the front-rack position for time. The final event of the competition was four rounds for time of two 15-foot rope-climb ascents, a 100-foot sprint, four squat cleans at 135 lbs. for the women and 225 lbs. for the men, and another 100-foot sprint.

Organizers structured the team events similarly with a curveball. Event 6 for the squads was for time: one man and one woman complete 100 double-unders (50 each), 50 handstand push-ups while partner holds a handstand, 50 toes-to-bar while partner hangs from the bar, 50 shoulder-to-overhead with the axle (100 lbs. and 160 lbs.) while partner holds axle in the front-rack position. Then both partners take a 90-foot walking lunge with the same axles in the front-rack position. And finally, the last team event was: one male and one female complete

three rounds of two 15-foot rope-climb ascents and two squat cleans (135 lbs. and 225 lbs.), then one male and one female each complete three rounds of two 15-foot rope-climb ascents and three squat cleans, then one male and one female each complete three rounds of two 15-foot rope-climb ascents and four squat cleans.
